

# Graphic Chapter Book Project

## The Project

Choose a chapter from the book and present it as a graphic novel (comic strip style).

## The Details

- Present your graphic chapter in book format with a front cover, several pages and a back cover.
- The front cover should include the title of the book and chapter, name of the author, and a large picture of an important scene.
- The pages should tell the story in frames with pictures, captions, and thought and speech bubbles.
- The back cover should include an *About the Author* paragraph about you (not the author of the book).

## Tips for Success

- ✓ Try to choose a chapter that will not be too hard to draw, with several different scenes and characters.
- ✓ Plan your graphic novel out ahead of time. Decide what will go in each frame and on each page before you begin to draw and write.
- ✓ Consider using a computer to make the comic frames. You could make a chart for the frames or use the *shapes* tool.
- ✓ You do not have to include all the dialogue in the chapter - just enough to tell the story.
- ✓ Be sure you accurately reflect the settings and characters. If the author says the main character has curly hair, draw her that way.
