# Book Timeline

### The Project

Use words and pictures to make a timeline of the important events in the book.

#### The Details

- Include at least 10 important events from the book.
- Each event should include a title that explains the event and a picture. Pictures may be drawn or printed.
- Your timeline should include dates if they are known.
- Include the title and author of the books above your timeline.

### Tips for Success

- ✓ As you read the book, keep a list of ideas for important events to include on your timeline.
- ✓ Your timeline will be long. You may need to use butcher paper
  or tape several sheets of construction paper together.
- ✓ Use a ruler or yardstick to make your timeline straight.
- ✓ To keep your project neat, you may want to create each entry on a separate piece of paper and then glue them to the correct places on your timeline.
