

Mobile Book Project

The Project

Create a mobile using the four story elements of your book.

The Details

- Your mobile will have 5 parts: title and author, setting, characters, plot, and theme.
- Use the title and the author to decorate the part of your mobile that the other parts will hang from.
- For each part, find one or more small objects or pictures to represent that part of the story.
- For each object or picture, make a 3x5 note with a paragraph explaining why that object or picture is important to the story.
- Tie or tape the object and the note card to a piece of string or thread and hang it on your mobile. You can have several objects and note cards on one string – for example, if your story has 3 main characters, you could have 3 objects and 3 cards on one string. Use a different string for each story element for a total of 4.

Tips for Success

- ✓ A wire hanger makes a good mobile. A stick will also work or pair of sticks tied to together in a cross.
- ✓ If you use pictures, glue them to a cardboard backing. You could put two pictures back to back.
- ✓ Try to place your strings so that your mobile balances evenly.
