

Shoebox Diorama

The Project

Create a shoebox diorama of an important scene from the book.

The Details

- Use a shoebox set on its side to create your scene
- Use small objects such as toys, construction paper, and clay to create your scene. Be sure to decorate the inside walls of your box.
- The title and author of the book should be displayed somewhere on the outside of the box.
- Write or type a paragraph about your scene. Explain what is happening in the scene and why it is important to the book. You can glue your paragraph to the box or leave it separate.

Tips for Success

- ✓ You can place the lid under the box to create more space for your scene.
- ✓ Include details in your scene to make it look more realistic.
- ✓ You can make people and animals from clay, wire, or cardboard or you can use small toys.
