

A Long walk to water

Chapter 3

Nya

Describe how the pond is different than the rest of Nya's trip.

- A lot of life
 - water
 - Muddy/unstable ground
- Describe the water.

- Brown
- Muddy
- Dirty

Explain how Nya carries the water on the return trip.

She uses a cloth doughnut, has a container, and then holds it with one hand.

Central Idea: The central idea is that

Nya got water, and she walked back home

Vocabulary:

- *gourd, sludge
- hazy, hallowed

Salva

-Why was Salva glad the woman with the barn was Dinka and not Nuer?

Salva was glad because the Dinka and Nuer tribes had been fighting for hundreds of years over water and cattle.

-Why does Salva try to stay in the barn longer?

He stays because he has a plan - which is to stay until the fighting is over.

-Why does Salva end up leaving the barn? He has

to leave the barn because there is no water, and the woman is leaving.

Central Idea: The

central idea is that Salva is in a place where he is comfortable and safe and he doesn't want to

Vocabulary:

- horizon, haunches
- ritual, orphan
- Auntie, sympathy
