

## Chapter 4

### Nya

- Nya helps put the water into containers at her house.

Where does she go next and why? Nya goes to the watering hole next.

What does she feel about taking Akeer with her?

Nya feels a little disappointed because Akeer is too small and walked too slowly.

Central Idea: The central idea of chapter 4 is that Nya got home and stayed long enough to eat, but then she has to go back with Akeer to the pond.

Vocabulary:

What is sorghum? (pg. 20) food.

Sorghum is a cereal or oatmeal type food that is like a grain.

Daily routine - how is your routine the same and different than Nya's?

My routine is different because I don't have to walk and get water. It is the same in a way because we both drink milk, and we both have chores.

- Explain why the group had mixed feelings about Salva joining them. The group had mixed feelings because Salva was small, not much help, and they got more food.

- Explain 3+ ways the journey is hard for Salva.

- He is small so it is hard to keep up.

- He is hungry.

- Salva does not know anyone.

Central Idea: The central idea of chapter 4 is that Salva left the barn and found a group to walk with.
